REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

While the prior art of record discloses a corrugated cooling element with an acute angle with respect to the longitudinal direction of a circulating element, and the cooling element having louvers with an acute angle thereon, the prior art of record does not explicitly disclose or teach the respective acute angles being substantially equal in magnitude.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The following changes to the drawings have been approved by the examiner and agreed upon by applicant:

The proposed drawing changes filed on May 6, 2003 and January 28, 2004 have been approved.

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.
